

Activity Two: Is Uni 4 U?

Instructions

Look at the following tables of activities and interests.

A. In column 1

Tick those interests or activities you already do or would be interested in pursuing when you finish school.

Web Search

Visit as many uni websites as you can think of. (Melbourne, Monash, La Trobe, Deakin, Victoria and RMIT are some of the many you might try).

Try to find the areas of the uni where you could explore the interests and activities you have marked above.

Look under:

- Clubs and societies
- Faculties/Courses/Subjects
- Student Union
- Colleges of residence
- Sport

Are there other areas you find along the way that sound interesting? Make a list.

B. Column 2

Use your research, to find those interests and activities you think you would be able to pursue at uni. Tick these in Column 2.

C. Can you put together a package of areas or subjects to study and activities you would like to be involved in from one of the uni sites?

D. Your life now is not just about school and school work. Your life after school will also be a 'whole package' experience. What sorts of interests, activities, achievements would you like to be part of YOUR package?

Compare your notes from Question C with what you have written above. What could you do at Uni to help you get where and what you want out of life?

Is Uni 4 U?
